BRITISH COLUMBIA WESTERN CANADA 1960s- Chevron RPM

oneownercollectorcar.com

Article copyright D. S. Brown images copyright Chevron and RPM/ Gousha.

This map was a joint effort from Chevron and RPM. It is a Gousha map, likely done in the late 1960s. The main highway down through US from BC is still the 99, and no sign of the Interstate 5 shows up in this map.
